

How you can help Villa right now.

Dear Villa families and friends,

Back-to-school shopping looks a little different for all of us this year. Many of you asked how you can help us with the costs of equipment and supplies needed at this time.

The school needs help securing more personal protective equipment (PPE) such as masks, gloves, and face shields; cleaning supplies such as disinfectant wipes and sprays, classroom air purifiers; and more student Chromebooks.

Villa is hosting a "S.A.F.E" Drive to collect funds and PPE items with a contact-less drop-off August 17-21 & August 24-24 from 8am-3pm, at the main admin office at 2802 E. Meadowbrook Ave.. Online donations can be made anytime on Villa's website or by purchasing items on Villa Montessori's Amazon Wish List. Those funds and items will then be equitably distributed among campuses to help them follow COVID-19 guidelines upon reopening.

Thank you for your continued support. We could not do it without you!
